

LAMINATE PROGRAM SALES NOTES

Caulk

Is a HOME OWNER maintainable item. Caulk is the “life of laminate countertops”. Water damage is not warrantable.

Glossy & Dark Laminates

Glossy & Dark Laminates will more readily show scratches. Laminate manufacturers advise against the use of these laminates in high traffic areas.

Overhangs

Standard pricing prevails with overhangs up to 6”. Any overhang that exceeds 8” must be supported by corbels or legs provided and installed either by the Countersource or the builder / customer.
Please call for additional cost.

Laminate Seams

Custom laminate seams are water resistant, NOT water proof.
Seams are minimized by using large laminate pieces.
Seam location preferences in order; no seam, 2” seam front and back of cooktop, 2” seam front and back of kitchen sink, or as far away from the sink as possible.

Laminate Warranty

Laminate manufacturers warranty laminate to be free of defects for 1 year. The Countersource warrants its installed products for 18 months. Please remember abrasions, abuse and water damage are not covered by any warranty.
